# Youth PROGRAMS

## A Directory Provided By The City Of Greenville

*Youth Programs* has been created in response to one of the goals established by the Greenville City Council at the January 27, 2007 City Council Planning Session, which was to create a database of programs for youth within Pitt County. Using the information from the *City of Greenville Nonprofits Directory*, surveys were forwarded to 200 plus nonprofits in 2006 that had responded in a previous survey that they provided youth and other services to Pitt County residents. In addition, advertisements were placed in *The Daily Reflector* and on Government TV 9 (GTV9) so that all nonprofits in Pitt County would have an opportunity to participate in the creation of this directory.

Two hundred surveys were sent out again in 2008 in order to update the 2006 directory. The information contained in *Youth Programs* was prepared based upon the information from 61 completed surveys that were returned to the City Clerk's Office in 2006-2007 and 12 in 2008. The first section of the directory lists the youth programs by service categories. The second section is an alphabetical listing of the organizations, churches, agencies, etc. that responded to the survey with pertinent information regarding each. It is hoped that *Youth Programs* will serve as a valuable source of information for citizens and will encourage them to utilize the youth programs summarized in this directory. The City Clerk's Office will continue to accept surveys from nonprofits and groups and will update the directory accordingly.

For youth service providers' convenience, a *Request for Information on Youth Programs* survey is on pages 48-50 of this directory. You may return the completed survey to the City Clerk's Office, PO Box 7207, Greenville, NC 27835; fax to (252) 329-4435; hand delivery at 200 West Fifth Street; or email at [clerk@greenvillenc.gov](mailto:clerk@greenvillenc.gov).
